

## 15<sup>th</sup> Annual Kids First Scholarship Bedding Plant Sale ~ Spring 2010

*This annual sale is a fund raiser for the Kids First Scholarship Fund for tuition assistance of the First United Methodist Church. Thank you for your support of this mission that makes such a difference in children's lives. Preschool Advisory Council*

### **Instructions:**

Order by indicating the quantity of packs or pots you want on the space left of the item. Total amounts go to the right. Please put your total on the back page. Do not pay at time of order. You will pay when you pick up.

There are 3 picture catalogs available at the church if you want to look at plant varieties. However, only the plants listed on the order form are available for purchase this year.

Order forms must be in **by May 6<sup>th</sup>** to be included. However, getting your form in early ensures a better chance of getting all of your selections. Orders that come in first, get filled first. The plant orders will be ready to pick up on the evening of May 20<sup>th</sup> and all day on May 21<sup>st</sup>. Please include an email and/or a phone number, so we can contact you to remind you of order pick up or so we can contact you if we have a question about your order.

You are welcome to take extra order forms (or copy yours) for family members, friends, or co-workers. Bring orders back to the church office, education office or give to a preschool teacher.

*A few comments from our parents and supporters:*

*9-08 Thank you for our scholarship. We are extremely grateful, and would be happy to participate in helping with fund raisers. Our daughter loves her school, and we are thankful for her teacher's willingness to care for her and her special needs. Many Thanks!*

*Spr-06 This is a great fund raiser! I will be participating even after my children are out of preschool. You can count on my order!*

*9-05 I am so grateful that I can easily afford to send my son to this preschool, that I would like to sponsor a family who can't afford it. Here is a check for the first semester.*

*Spr-05 Good quality plants! You can count on my order next year!*

*1-04 Thank you so much for your generous assistance given to our family. Your program is the best I've ever seen and our son is very happy where he is. I would be very happy to help where I can—please just let me know. Thank you again!*

*Thank you for supporting tuition assistance for students of Kids First Preschool. With your help, we will be able to help approximately 20% of our students with our Kids First Scholarship Fund. This allows low-income families to attend preschool, which has almost become a necessity for children to succeed as a student later on. In this time of economic struggle, this program is needed more than ever. God bless your support of this mission of our church.*
